

# Godparentship

With a godparentship I  
could go to school  
every day

## The situation is:

- School Fees for a good school are too high for the parents
- School material is almost not available
- For attendance of classes a uniform is mandatory, which is expensive
- Children often need the school-bus to reach the school

## We work for:

- Good School Education for a self-dependent life
- Basic medical care and one hot meal every day
- Equal promotion for boys and girls
- Education instead of child labour

## To achieve this we need:
