

Basic School Equipment

We wish to provide
good quality education
for each child

The situation is:

- Not enough exercise books, schoolbooks and learning materials for each child
- Class sizes are overwhelming the teachers
- Not enough money for practical lessons and field trips
- Not enough furniture in the classrooms

We wish to:

- Secure learning materials for each child
- Provide small classes with well-educated teachers
- Encourage children and strengthen their abilities
- Prepare students for secondary school
- Set a good example with values that convey self-responsibility and independence

To achieve this we need:
